

2" x 3" Piggyback Variable Sticker

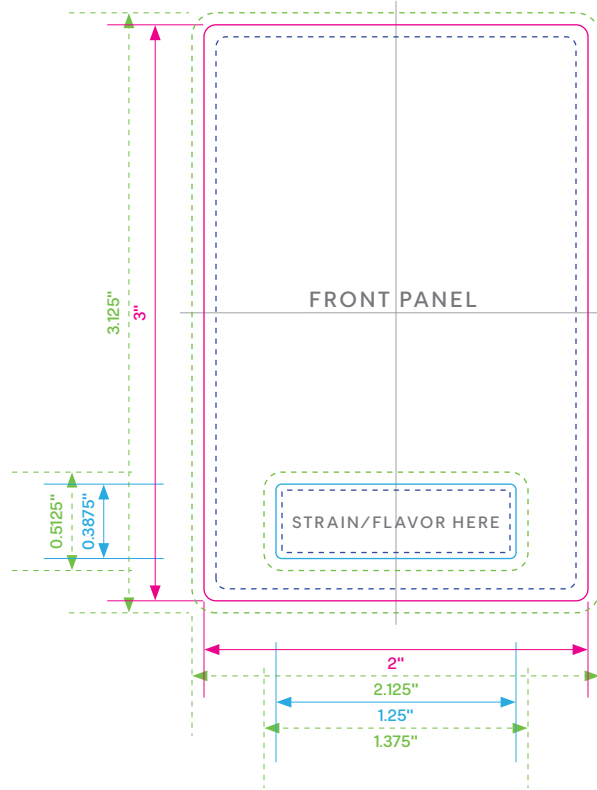

1-Panel Strain + Variable Label Dieline

- Tool 1287

Piggyback label Size:

- 1.25" x 0.3875"

Ideal for thermal transfer strain variable stickers.

Content Area

The content area is 1/8" (.125") from cut lines. Important artwork (especially text) should be placed inside this area, shifting may occur during production.

Outer Cut/Trim Line

Keeping important artwork away from these edges ensures that your content won't be accidentally cropped during production.

Inside Cut/Trim Line

Keeping important artwork away from these edges ensures that your content won't be accidentally cropped during production.

Bleed Line

Any art (such as your background color) that should print all the way to the edge of the package should extend at least to this line. 1/16" (.0625")

Template is built at 100%

IMPORTANT INSTRUCTIONS

Build files according to the [Label Print Requirements](#) linked here. Files set up incorrectly may result in increased lead time and/or additional charges.
